

Overview of MPA/MACS

The Michigan Petroleum Association (MPA) has been serving the state's independent petroleum marketers since 1934. MPA was incorporated by a group of jobbers who believed that by promoting a cooperative spirit and encouraging group effort, marketers across the state could best achieve their common goals.

Michigan Association of Convenience Stores (MACS) was established by MPA in 1986 to serve the interests of the state's c-store industry on the legislative front and in other matters of concern to c-store operators.

In 1996, truckstop operators, service station operators, and retail/wholesale providers of propane were invited to join MPA/MACS, and benefit from the Association's informational services, seminars, group insurance plans, and governmental relations expertise.
