

About RBS WorldPay

RBS WorldPay is a leading, single-source provider of electronic payment processing services – including credit, debit, EBT, checks, gift cards, e-commerce, customer loyalty cards, fleet cards, prepaid cards, ATM processing and cash management services. The U.S. payment processing division of the Royal Bank of Scotland Group plc, RBS WorldPay is a non-bank subsidiary of Citizens Financial Group. For more information, please visit www.rbsworldpay.us.

In addition to competitive processing rates, RBS WorldPay differentiates itself by focusing on a single-source approach to serving its customers. It controls the entire processing cycle, including authorization, settlement, reporting and customer service. This truly integrated solution gives RBS WorldPay customers one-call support and provides quality from start to finish.
