Your Adventure Starts NOW!

Explore the vibrant heart of Clearwater in style with our Island Hop and Dolphin Watch. Hop aboard our spacious boat (up to 20) as we set sail through the beautiful bay. This adventure is perfect for birthdays, bachelorettes, bachelors, corporate outings, and people just looking to have a fun day on the water.

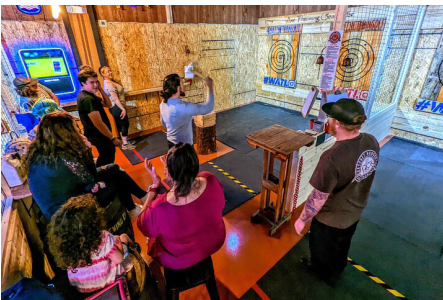

But the excitement doesn't stop there! Anchor at a shallow island in the middle of the bay, where you can walk onto this awesome tiny sand beach and take a refreshing dip in the waters. You'll also find a collection of fun floats and lively music to keep the atmosphere going.

A Boat Day offers private, customized boat charters for small groups of up to 10 passengers. Sit back and relax on the very comfortable, 27 foot double-decker Funship with a slide, as you cruise the waterways with a Captain as your guide. Your boating adventure will get you up close to wild dolphins and take you to secluded barrier islands so you can go shelling on pristine beaches or swim in the Gulf of Mexico. Our private boat tours are perfect for family outings, birthdays, anniversaries, graduations, bachelorette parties, marriage proposals, romantic getaways, reunions, spreading ashes, or any other reason!

Our very unique, immersive adventures are the only ones of their kind. We, unlike other companies, provide your very own remote, interactive, live host to assist and encourage you along through your phone. We are an Austin, TX-based global custom event design company offering scavenger hunts and other events in 300+ cities in North America and beyond. Our specially hand-crafted adventures are equal parts tour, creative challenge, detective hunt, and social experiment!

Learn to throw an axe with an axe-throwing session that includes instruction on safety and technique. After expert axe-throwers talk you through the basics, you can challenge yourself with single and double-handed throws. No experience is required, and there will be an instructor on hand throughout the lesson who can offer tips on honing your style.
